# Devices & Sessions

# Devices & Sessions

Review where your account is signed in and sign out remotely if needed.

1. Open the Account Console: <https://auth.junovy.com/realms/dds/account>
2. Go to Sessions or Device Activity.
3. Review the list (browser, OS, last access time).
4. Click Sign out for a specific session, or choose Sign out all sessions.

Tip: If you changed your password due to suspicious activity, sign out all sessions afterwards.

# Update Your Profile

# Update Your Profile

1. Open the Account Console: <https://auth.junovy.com/realms/dds/account>
2. Go to Profile.
3. Update your first/last name and other details.
4. Save changes.

## Notes

- Some fields (like email or username) may be managed by your organization and locked. If you need a change, contact your admin/helpdesk.
