# Change Your Password

If you can sign in and want to change your password:

1. Open the Account Console: <https://auth.junovy.com/realms/dds/account>
2. Navigate to the Security or Password section.
3. Enter your current password and choose a new one.
4. Save changes.

## Password tips

- Use a unique passphrase you don't reuse elsewhere.
- Consider a password manager to generate and store complex passwords.
