

# Commands & Shortcuts

Slash commands, quick switcher, and power-user keys.

- [Keyboard Shortcuts](#)
- [Slash Commands](#)

# Keyboard Shortcuts

## Navigation

- Quick switcher: `Ctrl/Cmd + K`
- Jump to unread: `Alt/Option + Shift + ↓` (varies by OS)

## Composer

- Send: `Enter`; New line: `Shift + Enter`
- Edit last message: `Up Arrow`

## Misc

- Toggle sidebar sections and focus the search with their dedicated keys (see in-app shortcut help for your OS).

# Slash Commands

## Common commands

- `/me <action>`: send a short action message.
- `/join <#channel>`: join a public channel.
- `/invite @user`: invite someone into the current room.
- `/topic <text>`: set room topic (if permitted).
- `/leave`: leave the current room.

## Tips

- Type `/` in the composer to discover available commands.
