Search Messages & Files

Search everywhere

- Use the search bar in the header to search across rooms and DMs.
- Use filters like `from:@alice`, `in:#general`, `has:link`, `before:2025-01-01`.

Room?scoped search

- Click into a room, then use the header search to filter within that room.

Tips

- Combine filters: `from:@me in:#release has:file`.
- Click a result to jump to the message in context.

Stars & Pins

Stars (personal)

- Star any message to bookmark it for yourself.
- Open your Starred list from the sidebar or avatar menu.

Pins (room?wide)

- Pin important messages/files so everyone in the room can find them.
- Access pins from the room header → Pins.
