

Search Messages & Files

Search everywhere

- Use the search bar in the header to search across rooms and DMs.
- Use filters like `from:@alice`, `in:#general`, `has:link`, `before:2025-01-01`.

Room?scoped search

- Click into a room, then use the header search to filter within that room.

Tips

- Combine filters: `from:@me in:#release has:file`.
- Click a result to jump to the message in context.
