

Start a Call

Start a call

- In any room or DM, click the phone/camera icon in the header.
- Choose voice-only or video; invite others by sharing the call link if needed.

In?call basics

- Mute/unmute, toggle camera, and share your screen.
- Use chat to drop links or notes while presenting.

Tips

- Wear headphones to reduce echo; mute when not speaking.
- For large meetings, prefer a dedicated meeting room/channel and post notes afterward.
